### Welcome

Leeds Skeptics is a friendly group of rationalists and critical thinkers who are skeptical about things like homeopathy, creationism, psychics, and what's going on in "real" science, medicine etc. More important information find out more about us [here](#).

To keep up with what is going on, join our [mailing list](#) or find us on Facebook

### Latest News

On Saturday 30 January 2010 Leeds Skeptics is taking part in the **10:23 campaign**. We will be protesting against Boots, a traditional medicine company, and their promotion of unproven remedies alongside evidence based medicine.

For more details on the event see our [press release](#) or to get involved see our [mailing list](#)
