# Conference Details

Thank you for attending Sunrise Conference 2010. In many ways Sunrise is an un-conference; it's not designed to be a lecture with speakers talking from podiums at the front in a one way dialogue, Sunrise is about coming together to share ideas, knowledge and experience.

Events are running between 10-1 and 2-5 each day. Sessions last around an hour with a short break between them. Tea, coffee and cold drinks will be provided throughout the day.

If you have any problems throughout the weekend, please call Chris on 0752 158 1082.
