

**BARE-FACED MESSIAH:  
THE TRUE STORY OF L.  
RON HUBBARD**

Rev Chris Worfolk

# TODAY'S SPEAKER

- ✿ Introductions probably aren't necessary
- ✿ But, hello, I'm Chris
- ✿ I grew up in Leeds. Then I went to university here. Then I started Skeptics. Then it's now.

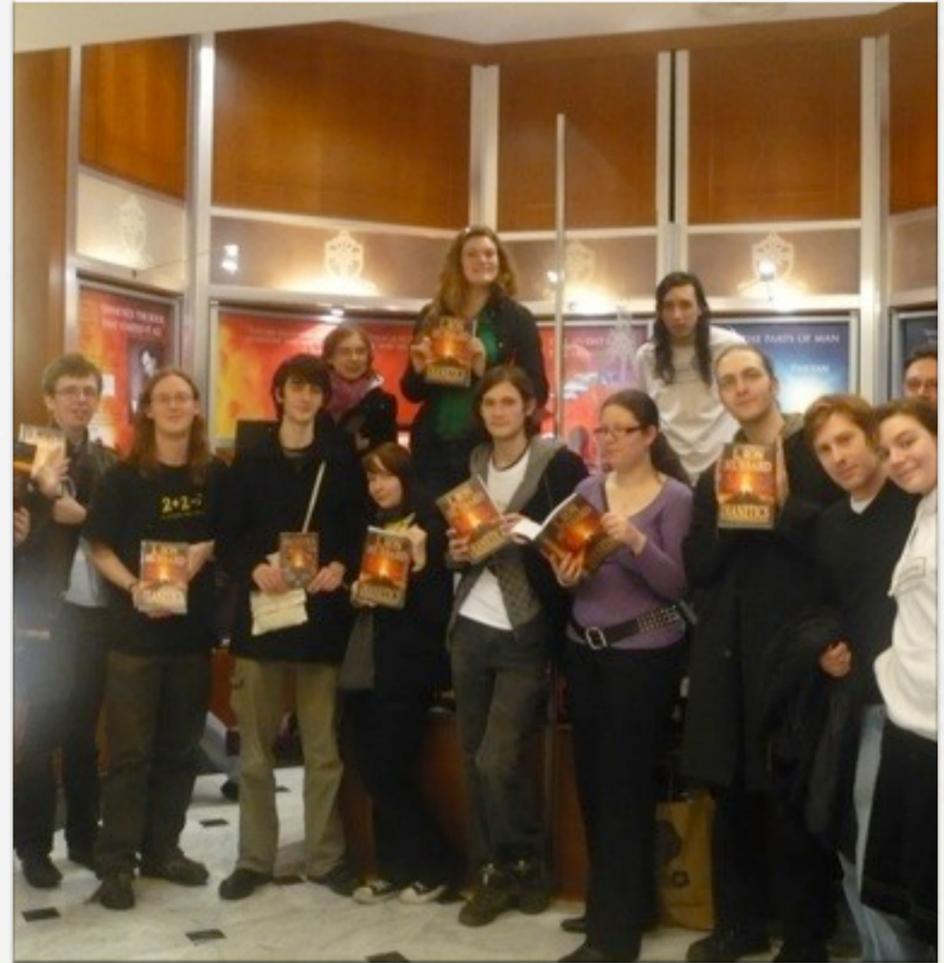

Sunday, 27 June 2010

- Invited to speak at the Imperial War Museum
- Well, invited to explore
- But I did speak
- To Gijbert

# SCIENTOLOGY

- ✿ Scientology is a religion
- ✿ Or possibly a cult
- ✿ Though of course, we know the only difference between a religion and a cult - it size

Sunday, 27 June 2010

- Here is everyone at Scientology London (one of)
- Claims to be fastest growing religion
- Claims 8 million members (inc course drop outs)
- Generates half a billion dollars a year
- Volunteer Ministers, Narcanon, Marshalls, Criminon, human rights and more

# SCIENTOLOGY

- ❁ So what is this Scientology nonsense?
- ❁ I use the word nonsense as if a god sired zombie taking all our sins somehow makes more sense of course
- ❁ Let's open it up to the floor

Sunday, 27 June 2010

- Here is us a year later at a different one
- You'll notice I'm now in the centre (Copson approach)
- Thetans, engrams, auditing, clearing
- Xenu and the aliens

# L. RON HUBBARD

- ✿ The man, the legend, their everything
- ✿ He'll be back!
- ✿ Born in 1911, died in 1986, but that is not quite all of his life

Sunday, 27 June 2010

- Lafayette Ronald Hubbard
- A ginger
- Had lived past lives
- And he'll live future ones
- David Miscavige (Trom Cruise)

# L. RON HUBBARD

- ✿ Of course, Elrond is a fictional character
- ✿ But the L. Ron Hubbard many know and love could well be described as one too

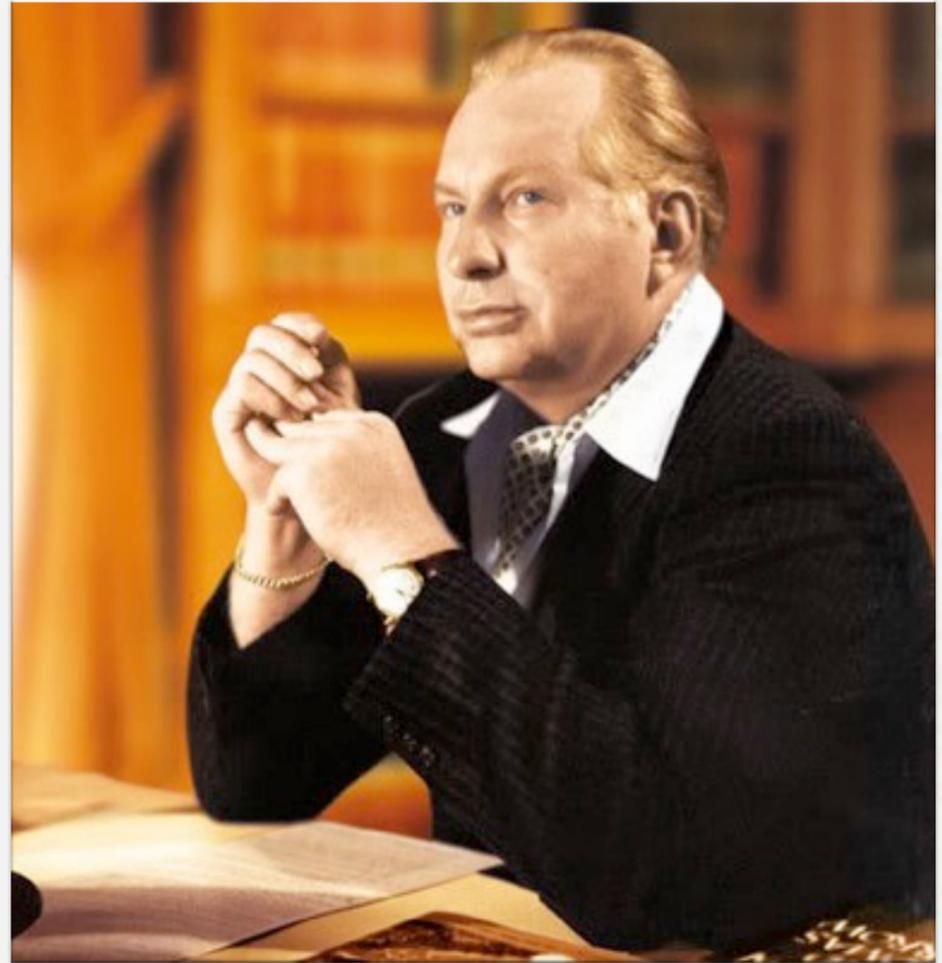

Sunday, 27 June 2010

- When I say the name Elrond
- What is truth, and what is legend?

# L. RON HUBBARD

- ✿ Writer, explorer, pilot, nuclear scientist
- ✿ “I wouldn’t call Ron a renaissance man. A renaissance man is someone who is fairly good at a lot of things. Ron was amazing at everything.”

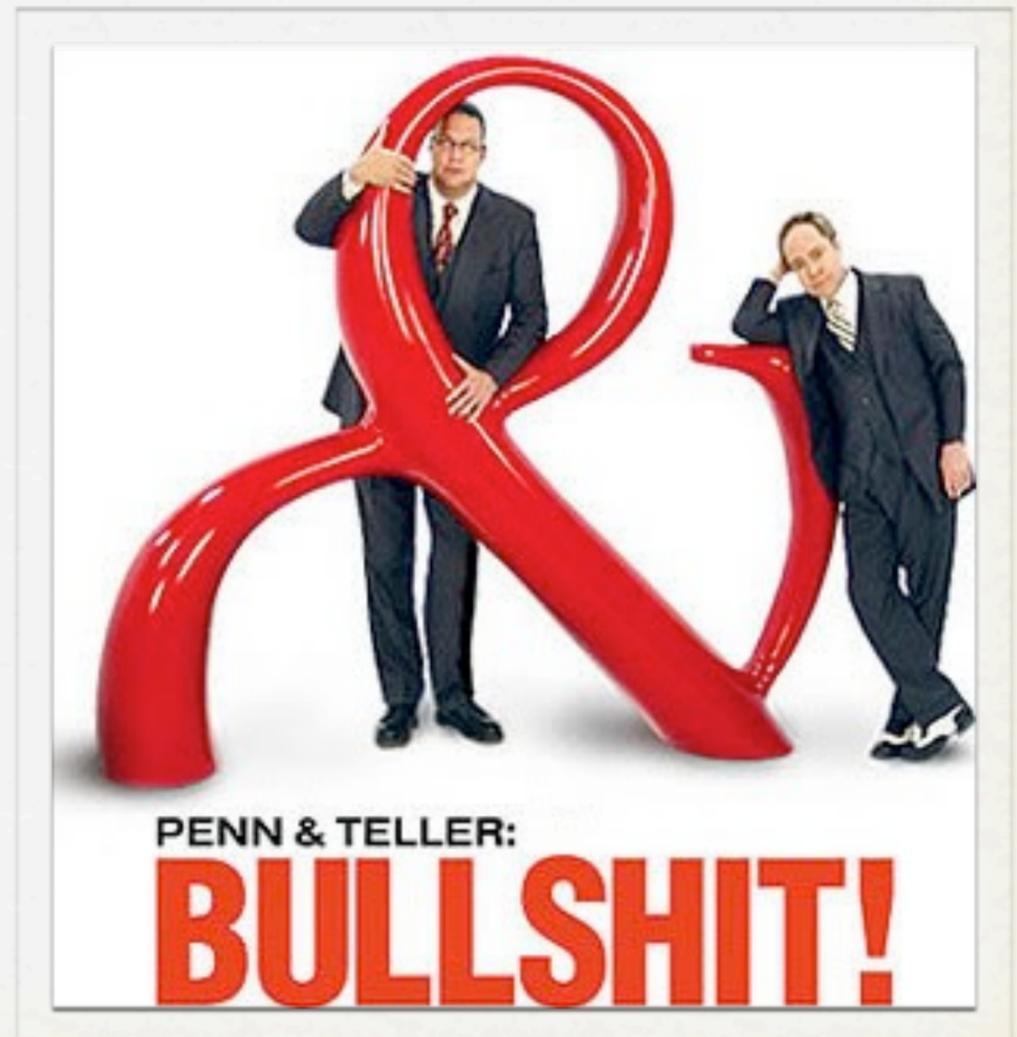

Sunday, 27 June 2010

- Quote from a Scientology video
- More than a man
- We was an Operating Thetan

# L. RON HUBBARD

- ✿ As Penn & Teller would say...
- ✿ Well, Penn would say...
- ✿ It's all bullshit

Sunday, 27 June 2010

- Almost everything in official church biographies is bullshit
- It's fiction, most written by Ron
- But the truth behind him is far more amazing
- He was an amazing man. To sell all this bullshit.

# EARLY LIFE

- ❁ Not quite riding barely broken horses by the time he was 3 years old
- ❁ Though he was somewhat of a prolific writer
- ❁ Earned 21 Scout merit badges in as many days

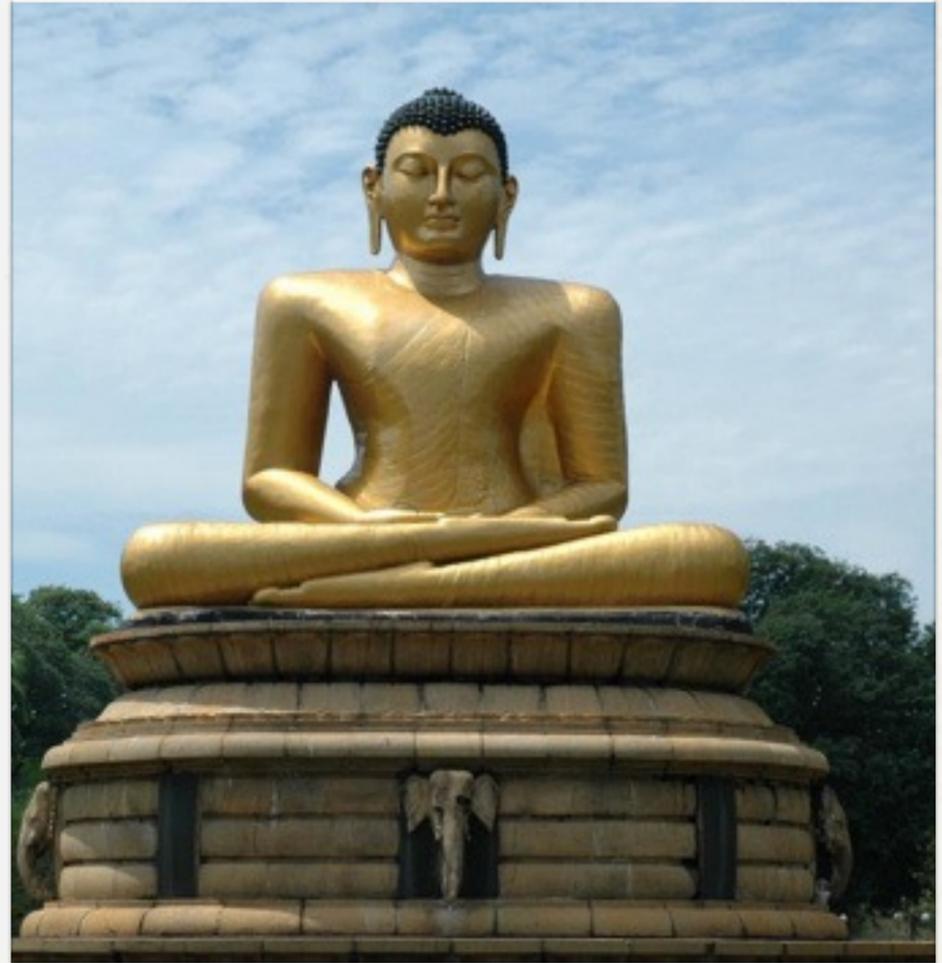

Sunday, 27 June 2010

- He was very much mothered by the family
- He was a favourite child
- He kept a journal and loved to write
- Didn't protect other kids from bullying
- Eagle Scouts didn't record ages

# TRAVELS IN THE EAST

- ✿ “He travelled far and wide in the Far East, taming local natives and exploring new cultures”
- ✿ Except for the bit of bad luck he picked up being born on Friday the 13th

Sunday, 27 June 2010

- His father was posted to Guam
- He spent a short period there, then went home
- Told the newspaper of his exploits
- Dropped out of school, tried to back to Guam
- 13 March 1911 was actually a Monday

# RON THE EXPLORER

- ✿ “Between 14-18 (1925 - 1929) he travelled widely, went to George Washington University to do nuclear physics, became a director via the Caribbean Motion Picture Expedition and conducted the West Indies Mineral Survey”

Sunday, 27 June 2010

- The latter being the first complete survey of Puerto Rico
- Actually he was heavily tutored to get into GWU
- He started there, then enlisted in the US Marine Corps Reserve
- He did civil engineering, not unclear physics
- But didn't spend any time studying anyway

# UNIVERSITY YEARS

- ✿ Joined the staff of The Hatchett
- ✿ Founded the Gliding Club
- ✿ Began writing for Sportsman Pilot

Sunday, 27 June 2010

- An avid writer he got onto the board of The Hatchett
- Soon they were publishing a literary review too
- Founded the gliding club and was soon "Flash Hubbard"
- Never actually got his full pilot's licence though

# THE CARIBBEAN

- ✿ That summer Hubbard said about organising the “Caribbean Motion Picture Expedition”
- ✿ Hundreds of students joined him in his brave quest

Sunday, 27 June 2010

- It was more of a summer cruise really
- To his credit he did get 100 people organised
- But the trip ran out of money, got to Bermuda and sailed back
- Half the crew deserted

# PUERTO RICO

- ✿ Conducted the West Indies Mineral Survey
- ✿ The first complete survey of Puerto Rico
- ✿ It's just a shame that nobody can find all the records he made

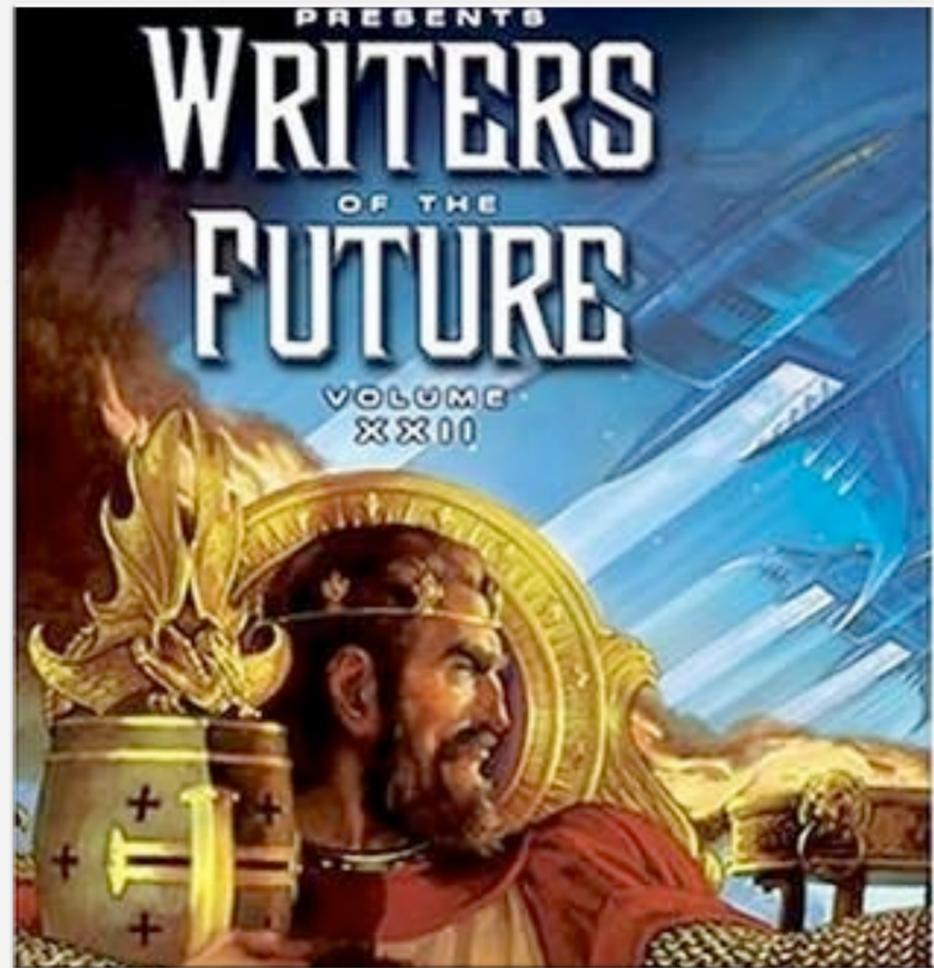

Sunday, 27 June 2010

- He got back to find crab grades and dropped out
- His father sent him to go help the Red Cross
- He didn't want to, and just went exploring

# TRUE TALENT

- ✿ “Between 1933 and 1941 Ron wrote over seven million words”
- ✿ This is probably the closest to the truth we’re going to get today

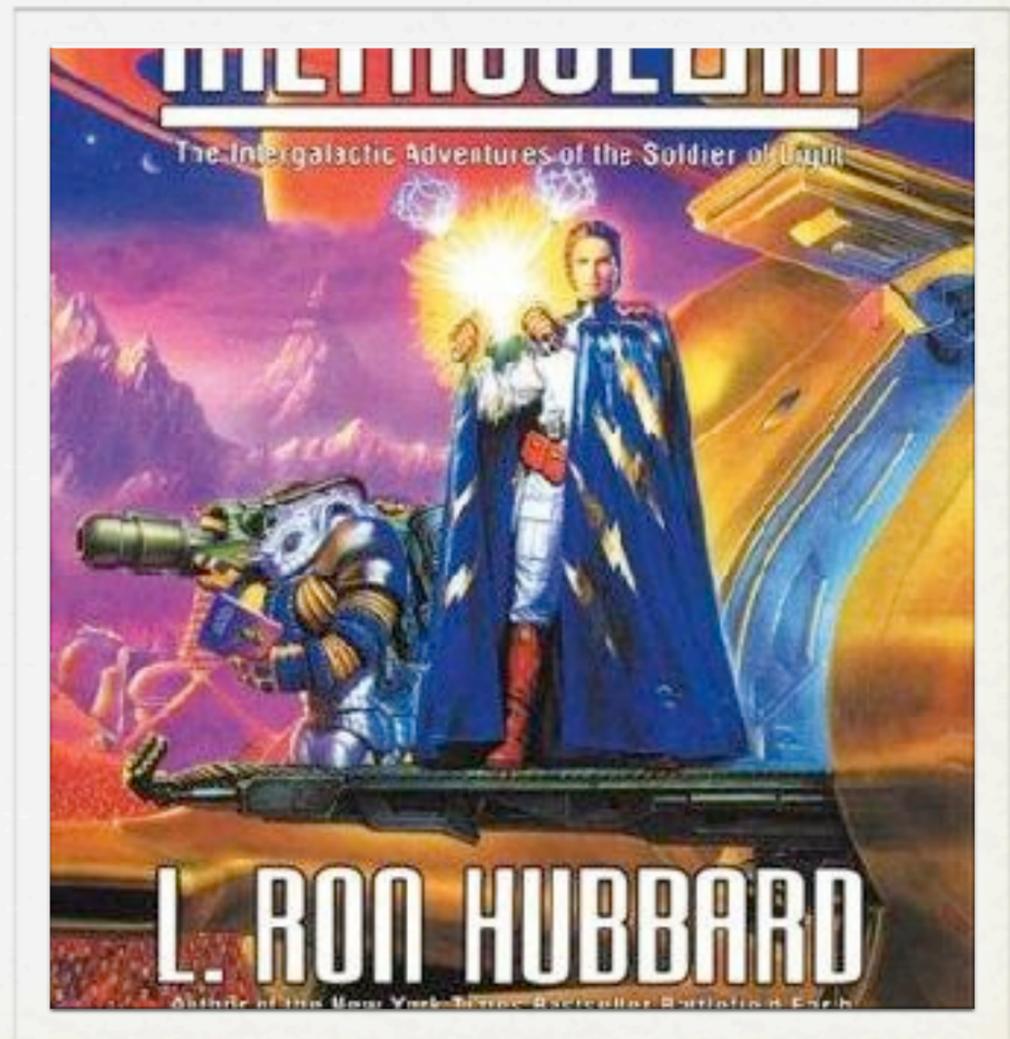

Sunday, 27 June 2010

- He didn't write anywhere near 7 million words
- He tried to make it as a writer but failed
- Then he discovered Pulp
- Spent time in New York
- Met Polly and gave birth to his first son
- Hardbook novel, which he spent on a boat

# SCIENCE FICTION

- ✿ “Ron was asked to try his science fiction and when he did, he changed the face of the genre”
- ✿ Because who hasn't read a book by L. Ron Hubbard?

Sunday, 27 June 2010

- Campbell became editor of Astounding
- Meanwhile he joined the Explorer's Club
- Went up the coast with Polly
- Spent some time on an Alaskan radio station
- Got himself commissioned in the Navy

# WAR STORIES

- ✿ “Ron was a war hero and the first casualty to be returned from the Far East”
- ✿ Of course, if you draw your map the right way, anywhere can be East

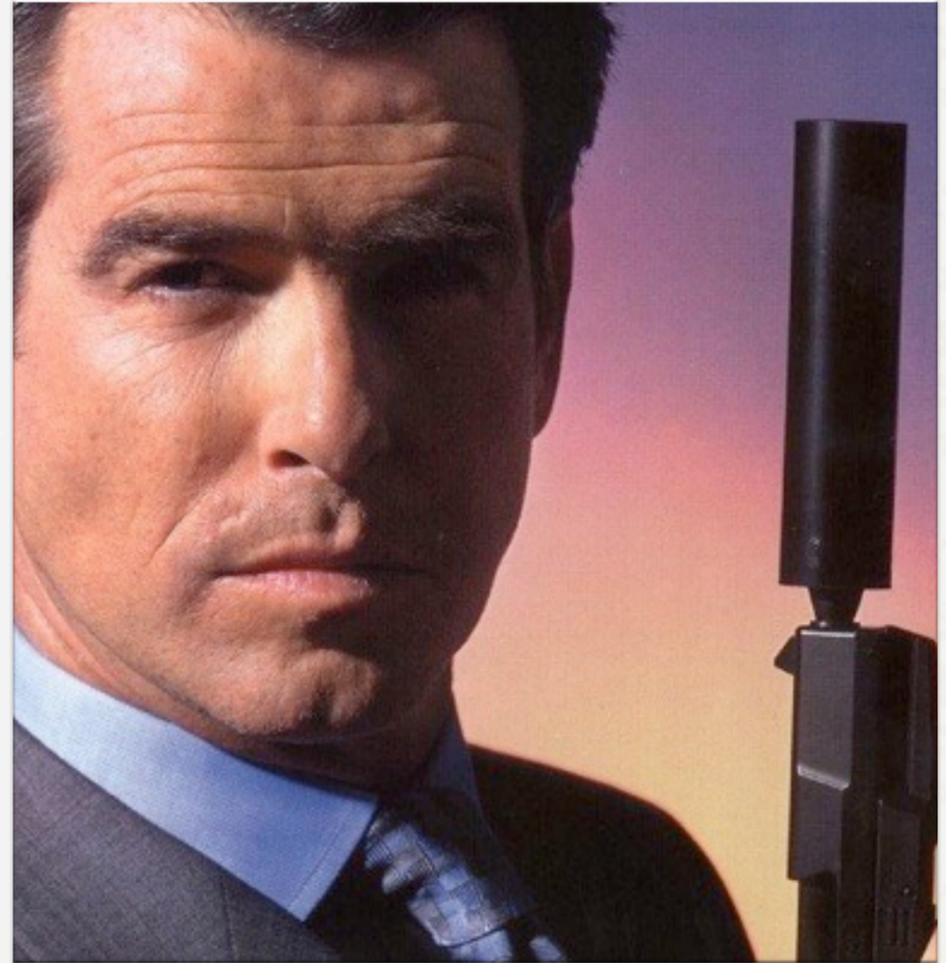

Sunday, 27 June 2010

- Started out as a paper pusher
- Got to Australia and then got sent home for being too arrogant
- Was eventually offered command of a sub chaser
- Dark glasses from the flash burn
- Several days, 5 ships and 2 blimps chasing “dead wood”
- Was send back to his desk job
- Went to the hospital pretending to be sick, discharged

# BLACK MAGIC

- ✿ “Hubbard broke up black magic in America and rescued a girl”
- ✿ How James Bond of him
- ✿ Not too busy to start a boating business however

Sunday, 27 June 2010

- He left the Navy and moved onto Jack Parson's ranch
- There he started shagging Betty
- Ron participated in the dark magic
- Formed Allied Enterprises and ran off with \$10,000
- He then married Betty (Sara) without Polly knowing

# THE WORK BEGINS

- ✿ “In 1948 his writings on the nature of life began to privately circulate and all that read it regarded it as a huge breakthrough”
- ✿ Even if Ron later admitted Excalibur didn't actually exist

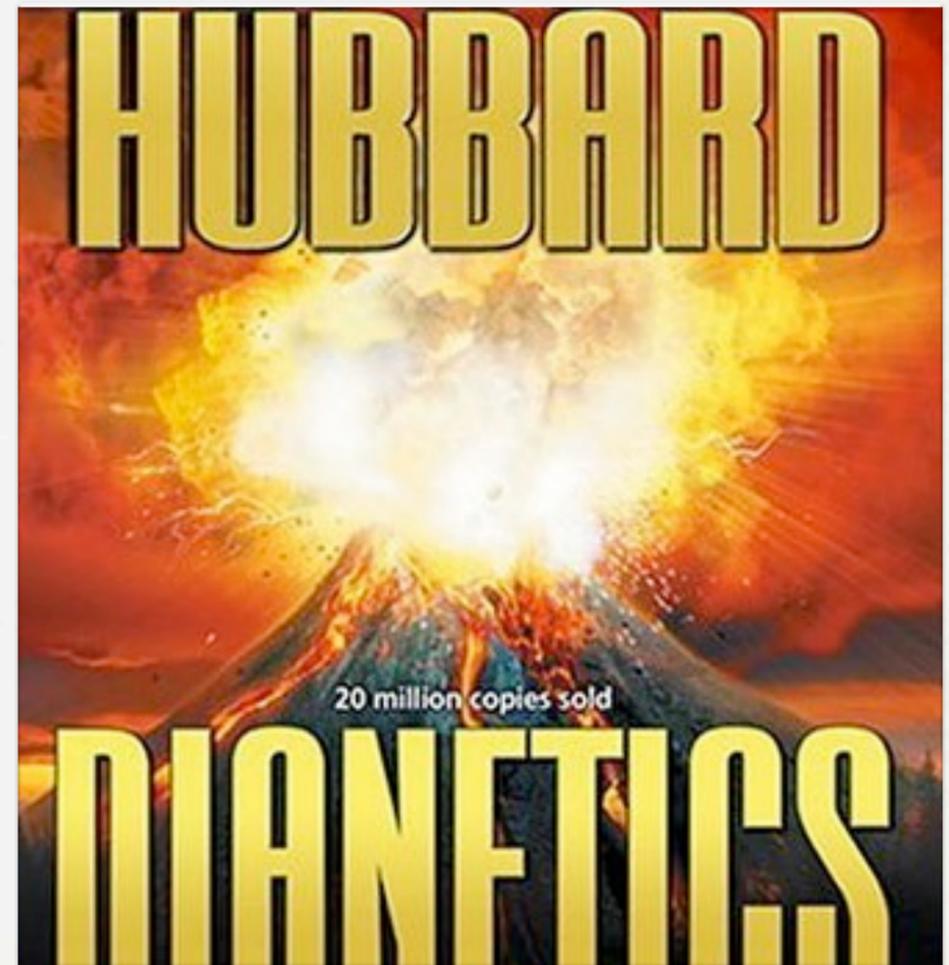

Sunday, 27 June 2010

- Moved to California with the now Sara
- “Foot injury no longer needed”
- 1947 Polly filed for divorce, Ron and Sara moved back home
- They then moved to Los Angeles to become a hypnotist
- He went back to writing pulp
- And began working on “Science of the Mind”

# DIANETICS

- ✿ Launched in 1950  
Dianetics was received cautiously at first but soon became a national craze
- ✿ Not the lack of quote marks, this actually happened!

Sunday, 27 June 2010

- Moved to New Jersey in 1949 at the request of Campell
- Sara was pregnant and gave birth to Alexis
- Dr Joseph Winter got involved, they wrote a paper
- SciFi fans bought the book and began auditing their friends
- Reached the LA Times best seller list
- Ron began running a course at \$500 a time
- Scientific American said it contained the last amount of evidence, ever

# THE FOUNDATION

- ✿ “The government tried to force him to work for them for evil but he resigned and escaped - and ever after the government hated him”
- ✿ Basically, the Navy said, “I’m sure you signed up with us...”

Sunday, 27 June 2010

- Ron began lecturing in LA, failed first clear
- Hubbard Foundation of Dianetics
- Bought a \$4.5 million mansion in California
- Ron was amazing lecturer
- The courses continued, covering up breakdowns
- Art Ceppos and Winter resigned, Ron reported them as communists
- Kidnapped his own daughter from Sara
- Kidnapped Sara and tried to have her committed
- FBI said he was crazy so he fled to Cuba

# BACK IN THE USA

- ❖ Millionaire Don Purcell began bankrolling Hubbard
- ❖ They said up a new foundation in Wichita
- ❖ At which point Ron began plotting the conversion to religion

Sunday, 27 June 2010

- Sold his daughter for a divorce
- Married Mary Sue
- Purcell threw away his glasses
- Foundations went bankrupt
- Ron opened the Hubbard College with only traded for 6 weeks
- Enough time for Ron to run a conference

- He moved to London and founded Hubbard Association of Scientologists International
- Got a PhD from Sequoia University
- Had Helen O’Brien move the publishing business to Philadelphia
- Journal of Scientology, all written by Ron, or “Tom Esterbrook”

# GETTING RELIGIOUS

- ✿ “In February 1954 the first Church of Scientology was founded”
- ✿ They got the date wrong but what do details like that matter in official biographies?

Sunday, 27 June 2010

- Actually it was December 1953
- Church of American Science, Church of Scientology, Church of Spiritual Engineering
- Ministers and reverends
- Ron told Scientologists to bring everyone under control and “utterly ruin” everyone who didn’t
- Came up with the idea of Causality Contacts”
- Developed Dianazene, protections you from radiation
- Seized and destroyed by the FDA (Food & Drug Administration)

# MERRY OLD ENGLAND

- ❁ “I won the Maharajah’s Sussex estate in a poker game”
- ❁ Well if by “won” you mean bought
- ❁ And if by “poker game” you mean not a poker game

Sunday, 27 June 2010

- By this point Hubbard was firmly established in the UK
- Local newspaper reported Dr Hubbard, a nuclear scientist was going to revolutionise gardening
- Really big tomatoes by attaching an e-meter

- Conditions, ethics officers and fair game policy
- Public Investigation Section
- John McMaster became the first clear
- They had their own journal, The Auditor
- Tried to set up on Rhodesia
- He start "The Sea Project"

# THE SEA ORG

- ✿ In 1967 Hubbard founded “Sea Org” and appointed himself Commodore
- ✿ To distance himself from the church he also resigned as the head of the Church of Scientology

Sunday, 27 June 2010

- Committee worked out the church owed him \$13 million
- Which he never claimed
- Renounced his PhD, Daily Mail joke
- He once again carried the Explorer's Club flag
- Discovered OT3, sailed up the down the coast looking for treasure from past lives
- Introduced the billion year contract

# MESSENGERS

- ❖ Hubbard became paranoid, checking everyone's mail and create fake companies for people to travel under
- ❖ But that's to be expected when you have your own private navy

Sunday, 27 June 2010

- Commodore's Messenger Organisation, pubescent girls
- Didn't really know what to do for this photo
- Commodore's Staff Aids, senior management
- People were banned from leaving, passports locked away
- Susan Meister shot herself in June 1971

Sunday, 27 June 2010

- Scientologists were told to buy several copies
- Ron was soon dead
- David Miscavige ousted Mary Sue and became head of the church

# CONCLUSIONS

- ✿ L. Ron Hubbard may not match up to the legends of the Church's official biographies
- ✿ But he was without a doubt one of the greatest bullshitters in human history

Sunday, 27 June 2010

- He didn't die, he'll be back
